

FACILIPRO POURPAKS

Our most popular dilution control products are now available as Pourpaks: small, portable pouches. Pourpaks are labeled and ready for proper dilution in a spray bottle or mop bucket – just pour and add the correct amount of water!*

- Portability provides **labor savings**
- Proper dilution **minimizes waste** and **improves performance**
- Simplified packaging **minimizes disposal hassles**
- Convenience:** fill spray bottles anywhere
