LAUNDRY

Partner with Ecolab to develop a comprehensive on-premise laundry program. We feature advanced commercial laundry products and equipment that help you manage the total cost of laundry – including water and energy consumption and linen reclaim – while delivering fresh, soft results.

A behind-the-scenes look

ECOLAB TECHNICAL SERVICE LAB

Did you know that stains are the number one cause of linen replacement? Many of the stains encountered in a laundry can look very similar whether caused by makeup, grease or a different agent.

Ecolab's Technical Service Lab uses several methods to identify stains and provide reclaim analysis to determine which product is most effective on the stain. We deliver solutions to solve all types of staining to protect your linen investment.

AQUANOMIC™ LOW-TEMP LAUNDRY PROGRAM

Home-Style Solid Dispenser

Compact front-loading dispenser for home-style machines.

9253-1010 1 unit

HOUSEKEEPING

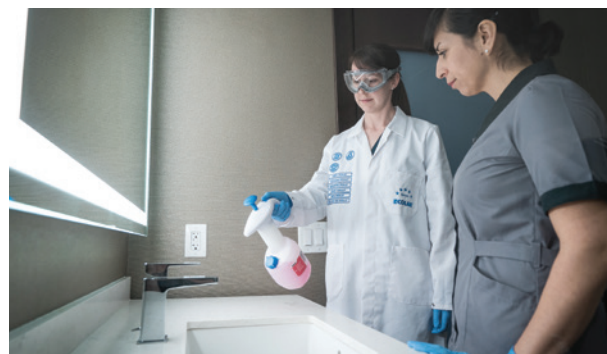

Our comprehensive housekeeping solutions, combined with unparalleled service and expert training, makes Ecolab a go-to resource for all hotel cleaning needs. Explore our wide-range of housekeeping and janitorial products, specifically designed to help clean with confidence and deliver on guests' rising expectations.

We've simplified the cleaning and training process

HOUSEKEEPER TRAINING

Our on-demand, personalized training empowers your staff to use the right products with the right procedures for all surfaces to achieve the best results – every time.

Each training module, featuring different parts of the cleaning process, outlines best practices sequentially through written procedures, illustrations and product details and leverages language-free videos.

OUR HOUSEKEEPING PROGRAM

A CLEAN THAT'S GOOD FOR BUSINESS

We make it easier for you and your staff to achieve great results with our innovative solutions and flexible training. Our program combines two products to clean and disinfect and one product to manage odor control, so you can simply and safely deliver a welcoming environment that protects your reputation and your bottom line.

6100504 1-25 LB

FLOOR CARE STONE CLEANERS/POLISHERS AND SPECIALTY SOLUTIONS *continued*

StoneMedic™ TMC Terrazzo & Marble Crystallizer

Easy-to-use crystallizer develops a long-wearing gloss on polished terrazzo, marble and limestone floors.

6100505 12-1 qt

StoneMedic™ CTP 2 Ceramic Tile Polish-2

The second part in a two-step program that promotes a high gloss on tile floors. Also used to polish epoxy-based terrazzo floors.

6101094 1-10 lb

StoneMedic™ GPC Granite Polishing Cream

Polish to restore lightly worn granite.

6161063 4-1 qt

StoneMedic™ CGI Ceramic Grout Impregnator

Grout line and natural stone impregnator that repels water, soil and grease.

6100858 4-1 qt

6162040 4-1 gal

StoneMedic™ CTP 1 Ceramic Tile Polish-1

The first part of a two-step program that freshens grout lines and prepares the tiles for polishing.

6101092 1-10 lb

StoneMedic™ AST Anti-Slip Treatment

Non-acidic maintenance product that increases the coefficient of friction of any floor material. NFSI certified as High Traction.

6162001 4-1 gal

HOUSEKEEPING TOOLS

Trigger Sprayers

Pink Spray Trigger

Delivers a thick foam, designed to cling to surfaces and stubborn soils.

9265-2349 24 oz

9265-2348 32 oz

Blue Spray Trigger

Delivers a large droplet size, designed to get the product to the surface and not leave it hanging in the air.

9265-2352 24 oz

9265-2354 32 oz

Green Spray Trigger

Delivers a fine mist, designed to hang in the air and spread across a space to treat air and soft surfaces.

5300-1051 24 oz

5300-1052 32 oz

Spray Bottles

Does not include trigger sprayers.

9264-1182 12 pack

Fogmaster Jr

Fogging room refresher applicator that dispenses a fine mist. Lightweight reservoir holds 32 oz. of product.

9265-2090 1 each

Scrub Free Foamer

Pump-up foamer and sprayer for use with Scrub Free Bathroom Cleaner and Disinfectant.

9265-2530 2 pack

Pump-Up Foamer/Sprayer

A 32-oz. pump-up foamer and sprayer in one unit. Reduces repetitive motion injury by reducing the need to pull a standard trigger sprayer.

9265-2602 1 each

Housekeeping Tools Complete Tool Kit

Kit Contains: Telescopic Pole, Swivel Pad, Foam Squeegee, Tape Roller, Non-Abrasive Scrubbing Pad, Microfiber Cleaning Pad, Power Eraser™ Plus Pad, Pump-Up Foamer/Sprayer, 2 blue, 2 pink and 2 yellow Microfiber Cloths, Laundry Mesh Bag, Ecolab Rinse Cup.

9621-1104 1 Kit

Housekeeping Tools Starter Kit

Tools only – Telescopic Pole, Foam Squeegee, Adhesive Tape Roller, and Swivel Pad Holder.

9621-1110 1 Kit

Telescopic Pole

Easily extends from 2'-4' to help room attendants reach high walls and other difficult-to-clean areas. Attaches to tool heads with a specially designed quick connect fitment.

9621-2000 1 each

Swivel Pad Holder

9621-1109 3 pack

Power Eraser™ Plus Refills

9297-2030 12 pack

Non-Abrasive Scrubbing Pad Refills

9621-1000 12 pack

Microfiber Cleaning Pad Refills

9297-2031 12 pack

Foam Squeegee

14-inch foam squeegee is ideal for quickly drying bathtub surfaces, including tile. Quick connect fitment easily connects to the Telescopic Pole, sold separately.

9621-1106 3 pack

Ecolab Rinse Cup

16 oz. durable plastic cup made for rinsing surfaces, especially bathtubs, after cleaning.

9263-2026 1 each

Laundry Mesh Bag

Mesh bag with drawstring closure. Ideal for laundering dirty microfiber cloths.

9298-3001 6 pack

Adhesive Tape Roller

Use as a finishing touch for removal of any hairs or small particles, especially in the bathroom. Includes 3 rollers and 3 tape rolls. Quick connect fitment easily connects to the Telescopic Pole, sold separately.

9621-1107 3 pack

Adhesive Tape Refills

8999-0011 12 pack

Microfiber Cloths

Microfiber weave improves performance of cleaners and leaves a lint-free, streak-free surface. Comes in blue, yellow and pink to match product color coding.

9621-2290 (Blue) 12 pack

9621-2292 (Pink) 12 pack

9621-2293 (Yellow) 12 pack

Power Eraser™

Mildly abrasive pad quickly and efficiently eliminates tough stains, marks and soap scum on hard surfaces, such as walls, doors, countertops, shower doors, tubs and fixtures. Also great for luggage marks on baseboards.

9290-2035 25 pack

TOP TIPS FOR HOUSEKEEPING STAFF

Share these daily cleaning tips to help deliver a clean, safe and welcoming environment for guests.

PROTECT WITH DISINFECTION

- Help minimize the spread of infectious microorganisms in bathrooms and high touch points
- Drive efficiency with products that both clean and disinfect; surfaces must be cleaned in order to disinfect
- Check and follow contact times for disinfectants
- Use products that have disinfection claims on common viruses such as norovirus

DON'T FORGET TO RINSE & DRY

- Rinsing thoroughly will help avoid staining/residue build up
- Use shower heads or cups and squeegee
- Thorough drying is the most effective way to prevent mold and mildew growth

AVOID CROSS CONTAMINATION

- Use the right rags/microfiber cloths for the right surfaces, using color-coded cloths helps
- Do not use the same rag on multiple surfaces or across different rooms

BE SAFE AND CONSISTENT

- Use personal protection equipment for safety
- Always read and follow the product label instructions
- Use ergonomic tools, like adjustable poles, to reduce lifting, bending and reaching
- Match products and cleaning tools to soils and surfaces

FOLLOW PROPER PROCEDURES

- Proper training and procedures will enhance performance and results
- Work with manager or head housekeeper to receive training

Example:

1. Evaluate & prepare the guest room
2. Apply bathroom products
3. Turnover bed
4. Clean guest bathroom
5. Dust & finish room

POOL & SPA

Create a clean, safe and well-balanced pool with programs that feature world-class chemistry, dispensing and equipment alongside actionable insights and training. Together, we will assist you in managing a well-run operation to protect your brand and satisfy your guests. From saline to chlorine and from spas to multi-pool resorts, we offer a variety of comprehensive programs for your specific pool and spa needs, without incremental startup or service costs.

Remote monitoring for 24/7 visibility

INSIGHTS AND REPORTING

Wireless technology provides 24/7 access to proactively improve your pool operations:

- Real-time data monitors pool performance and offers steps for continuous improvement
- Notifications and alerts provide instant access to troubleshooting steps
- Water analysis tools help you quickly diagnose and treat issues

Aqua BALANCE™ WIRELESS PROGRAM

A REFRESHING, WORRY-FREE SOLUTION

A proactive program to help you achieve operational goals and satisfied guests.

DELIGHTED GUESTS

REAL-TIME DATA MONITORS pool performance and provides notifications and alerts

AVOID POOL SHUTDOWN with **balanced, safe & enjoyable pools**

PROTECTED REPUTATIONS

Automated DISPENSING SYSTEM monitors pool operations **24/7/365**

LESS CHEMICAL HANDLING = reduced safety risks

OPTIMIZED OPERATIONS

CONSULTATIVE APPROACH

- select the **right chemicals**
- **optimize** equipment life
- **conserve** water & energy
- **reduce** labor costs

AQUA BALANCE™ TECHNOLOGY

Best-in-Class Controller

- Controls water pH and disinfectant levels
- Helps ensure proper chemical balance
- Proactively alerts you to potential issues

Pure Comfort™ Mineral Pool Systems

- Generates chlorine on demand as needed
- Eliminates traditional chlorine chemicals such as bleach
- NSF Certified

Calcium Hypochlorite Pool Systems

- Maintains accurate and uniform delivery of chlorine sanitizer
- NSF Certified

AQUA BALANCE™ PRODUCTS

Aqua Balance™ pH Plus

Bring pool water pH to the ideal range (7.2-7.8) to keep swimmers comfortable and equipment lasting longer.

6117402 3-10 lb

Aqua Balance™ Cal Hypo Shock

Superchlorinate (or “breakpoint chlorinate”) pool water when combined chlorine levels are too high.

EPA Reg. No. 7124-29-1677

6117413 30-1 lb

Aqua Balance™ Conquest Stain Remover

Removes stains and clears mineral-discolored water.

6117406 4-1 qt

Aqua Balance™ Chlorine Free Oxidizer

Removes contaminants and helps eliminate chlorine odor. Swim shortly after use.

6117414 12-1 lb

Aqua Balance™ Basic Hardness

Protect pool from etching when soft water readings fall below the ideal 200-400 ppm range of calcium hardness.

6117409 3-10 lb

Aqua Balance™ Total Alkalinity

Bring pool water alkalinity to the desired range of 80-120 ppm, helping to maintain pH and chlorine levels and keep water balanced, clean and safe for guests.

6117415 3-10 lb

6117416 1-25 lb

Aqua Balance™ Dechlor Reducing Agent

Quickly reduces the chlorine level in a 10,000 gallon pool by 16 ppm with one pound of product.

6117411 6-3 lb

6117412 6-10 lb

Aqua Balance™ Tynyl Foam

Removes grease, dirt and oils from vinyl pool walls and tile.

6117407 4-1 qt

SMARTPOWER™ WAREWASHING

**SMARTPOWER™ Dishmachine Detergent**

High-performing detergent for soft to moderate water conditions.

6101201 4-6.75 lb

6101202 6-6.75 lb

**SMARTPOWER™ Dishmachine Detergent Heavy Duty**

Highest performing, low-phosphorus solid detergent in the industry for hard water and heavy soils.

6101200 4-6.75 lb

**SMARTPOWER™ Dishmachine Detergent Specialty**

High-performing, low-phosphorous, chlorine free detergent for use in regular soil and soft to moderate water conditions.

6101308 4-6.75 lb

**SMARTPOWER™ Dishmachine Detergent Metal Safe**

Solid machine detergent for washing aluminum and other soft metals.

6101307 4-6.75 lb

**SMARTPOWER™ Rinse Additive All Purpose**

High-performing warewashing rinse additive for normal water conditions.

6101203 2-2.5 lb

**SMARTPOWER™ Rinse Additive All Purpose Heavy Duty**

High-performing machine warewashing rinse additive for use in water hardness over 8 grains.

6101199 2-2.5 lb

**SMARTPOWER™ Dishmachine Sanitizer**

Solid food contact surface sanitizer for low-temperature machines. EPA Reg. No. 1677-201

6101357 4-1000 tablets

**SMARTPOWER™ Presoak Cutlery/Flatware**

Presoak loosens soils and emulsifies grease.

6101890 3-4 lb

**SMARTPOWER™ Presoak Pot and Pan**

Specifically formulated to remove heavy soils prior to dishmachine washing.

6101353 3-5 lb

6101352 6-5 lb

**SMARTPOWER™ Manual Detergent**

Concentrated, solid detergent removes tough grease and soil.

6101907 2-3 lb

**SMARTPOWER™ Sanitizer**

This food contact sanitizer for 3rd sink and other nonporous surfaces. EPA Reg. No. 5389-20

6101355 2-2 lb

MACHINE WAREWASHING

**Solid Power™ XL**

High-activity, solid machine warewashing detergent.

6100185 4-9 lb

**Solid Brilliance**

Concentrated solid rinse additive.

6125395 2-2.5 lb

**Ecotemp™ Ultra Klene**

Concentrated liquid formula for tough protein soils.

6112716 1-5 gal

**Ecotemp™ Ultra Dry**

Liquid rinse additive for low-temperature machines.

6115172 1-4.5 gal

**Ultra San™**

Liquid chlorine sanitizer and destainer for low-temperature machines.

EPA Reg. No. 1677-52

6113961 1-5 gal

MANUAL WAREWASHING

Scout™

Highly concentrated, high-sudsing, all-purpose detergent.

6110906 2-2 gal

Pantastic™

Ready-to-use. Is a non-phosphate, liquid pot and pan detergent that cuts through grease. Suds are long lasting, even in the presence of grease and other heavy food soils, but remains gentle on hands.

6113003 9-32 fl oz

6112963 4-1 gal

6112971 1-5 gal

Silver Power

Exclusive enzymatic formula specifically for flatware.

6112922 2-8 lb

Oasis™ 146 Multi-Quat Sanitizer

No-rinse sanitizer for third sink and spray-and-wipe applications.

EPA Reg. No. 1677-198

6100536 2-2.5 gal

Manual Bar Glass Detergent

Complete, portion-controlled glass detergent solution.

6110372 100-0.25 oz

Bar Dandy™

Low-foaming detergent effective on all glassware.

6114050 4-1 gal

Manual Bar Glass Sanitizer

This food contact sanitizer for 3rd sink and other nonporous surfaces.

EPA Reg. No. 65169-1-1677

6110269 100-0.25 oz

KITCHEN SURFACES

Peroxide Multi Surface Cleaner and Disinfectant

Multi-purpose cleaner and disinfectant for hard surfaces and glass.

EPA Reg. No. 1677-238

6100693 1-2 gal

6100791 2-2 L

6100792 2-1.3 L

Oasis™ 146 Multi-Quat Sanitizer

No-rinse sanitizer for third sink and spray-and-wipe applications.

EPA Reg. No. 1677-198

6100536 2-2.5 gal

No Rinse Food Contact Cleaner Sanitizer

No rinse sanitizer for hard, nonporous surfaces.

EPA Reg. No. 6836-138-1677

6101140 2-2 L

Oasis Pro™ 16 Orange Force™

Non-abrasive, multi-purpose cleaner for food service and housekeeping operations.

6121038 2-2 L

Oasis™ 137 Orange Force™

Non-abrasive, multi-purpose cleaner for food service and housekeeping operations.

6114559 2-2.5 gal

KITCHEN DEGREASERS

**Greaselift™**

Powerful, biodegradable degreaser requires no PPE and clings without flashback.

6100155 2-2 L
6100284 6-32 fl oz

**Greasecutter Plus™**

Heavy-duty cleaner and degreaser for stoves, ovens and grills.

6119513 4-1 gal

**Greasestrip Plus™**

High-performance clinging gel degreaser effective on ovens, grills, stove hoods, vents and broilers.

6119505 4-1 gal
6129777 6-32 fl oz

**Grease Express™ Fast Foam Degreaser**

Foaming degreaser clings to vertical surfaces, quickly dissolving and suspending greasy oils.

6110123 4-1 gal
6110126 6-32 fl oz

KITCHEN FLOOR CLEANERS

**Sanitizing Wash 'N Walk™**

EPA-registered, no-rinse, enzyme-based drain and floor cleaner/sanitizer provides total management of floors and drains. EPA Reg. No. 1677-239

6100731 1-2.5 gal
6100734 1-15 gal

**Oasis™ 115 XP**

Extra-strength alkaline cleaner for unfinished floors.

6110625 2-2.5 gal

KITCHEN PROBLEM SOLVERS

**Grease Express™ High Temp Grill Cleaner**

A no-rinse grill cleaner for baked-on carbon and grease without cooling.

6110251 60-3.6 oz
6110127 6-32 oz

**Grease Express™ No Boil Fryer Cleaner**

Fryer cleaner that requires no boil-out procedure.

6101929 4-24 oz

**Antimicrobial Fruit & Vegetable Treatment**

No-rinse produce wash that reduces 99.9% of the pathogens in washwater. FDA clearance and EPA registered. EPA Reg. No. 1677-234

6100283 2-2.5 gal

**Pathways™ Drain Treatment**

Dissolves grease, fat and food particles that clog drains and pipes.

6129810 1-2.5 gal

**Dip-It XP®**

Powder destainer for coffee, tea and other tough stains.

6117583 8-1.75 lb

**Kool Klene™**

No-thaw, quick-drying freezer cleaner.

6115461 4-1 gal

**Lime-A-Way™**

Effectively removes hard water deposits and lime scale.

6101131 4-1 gal

**EcoShine™**

RTU, water-based, solvent and butyl-free polish for metal surfaces.

6118440 6-32 oz

ECOSURE[®] FOOD SAFETY PROGRAM

Minimize food safety risks and drive behavior change with the best-in-class EcoSure[®] Food Safety Program.

On-site expertise

FOOD SAFETY TRAINING

EcoSure[®] specialists conduct comprehensive assessments of your operations and provide teaching and coaching to your team on the best practices. As your trusted partner, the EcoSure[®] team helps you proactively minimize risks to your guests, employees and brand reputation.

ECOSURE[®] NOROVIRUS CONTROL PROGRAM

DRIVE BEHAVIOR CHANGE AND MINIMIZE RISK OF FOODBORNE ILLNESS

Ensure your management team is knowledgeable about norovirus – including risks, prevention strategies and response tactics.

Equip your employees with essential information, practical, straightforward tools and step-by-step instructions to prevent and respond to norovirus events.

WATER & BEVERAGE QUALITY

Our water program provides expert service, customization, peace of mind, and unmatched filtration performance and capacities. We offer on-site water quality testing, technical water analysis and regular maintenance programs – all backed by our world-class service without additional associated costs.

PROBLEM	SOLUTION
✗ CHLORINE/CHLORAMINES Produces an off taste and corrodes equipment	✓ CARBON FILTRATION
✗ SEDIMENT Clouds beverages, damages equipment	✓ PHYSICAL FILTRATION
✗ TOTAL DISSOLVED SOLIDS (TDS) Causes equipment downtime	✓ CHEMICAL CONDITIONING
✗ HARD WATER MINERALS Leads to equipment downtime	✓ CHEMICAL CONDITIONING

WATER & BEVERAGE QUALITY FILTRATION MANIFOLDS

High Capacity Single System

Single head filtration system for use with high capacity filters.

9320-2266 1 each

High Capacity Split Twin System

One inlet with two outlets to simultaneously treat two different applications, such as ice and post mix.

9320-2268 1 each

High Capacity Twin System

Double head filtration system for increased capacity and flow rate on large applications.

9320-2267 1 each

ECO-SLF System

Single head system for use with the ECO-350 and ECO-350S filters.

9320-2270 1 each

WATER & BEVERAGE QUALITY FILTER CARTRIDGES

High Capacity Filter Cartridge

Patented hollow carbon technology removes chlorine, chloramine and ultra-fine particles to improve beverage taste, odor and carbonation.

10" 50,000 gal Cartridge

9320-2198 1 each

14" 75,000 gal Cartridge

9320-2207 1 each

20" 100,000 gal Cartridge

9320-2250 1 each

ECO-350

Hollow carbon technology in a slim, compact design for improved water quality on smaller applications (up to 1.7 gpm) and in tight spaces.

10" 20,000 gal Cartridge

9320-2350 1 each

ASK ABOUT OUR HOT WATER OPTIONS

WATER & BEVERAGE QUALITY SCALE CONTROL FILTERS

High Capacity Scale Control Filter Cartridge

Patented hollow carbon technology removes chlorine, chloramines and ultra-fine particles. Improves ice and brewed beverage quality and helps protect equipment from sediment and scale.

10" 50,000 gal Cartridge

9320-2256 1 each

14" 75,000 gal Cartridge

9320-2258 1 each

20" 100,000 gal Cartridge

9320-2259 1 each

ECO-3505 Filter Cartridge

Hollow carbon technology in a slim, compact design, great for standard brewers and ice machines up to 600 lbs. Scale Prevention technology.

10" 20,000 gal Cartridge

9320-2351 1 each

Capsule TODS Filter

Capsule design provides even greater flexibility in positioning to protect small ice machines and brewers in the tightest spaces. Starter kit needed for install.

16.1" 6,000 gal Cartridge

9320-1035 (starter kit) 1 each

9320-1042 1 each

WATER & BEVERAGE QUALITY SPECIALTY FILTERS

High Capacity SED10S+

Non carbon-based media helps to protect ice machines from scale and sediment. Ideal solution for those seeking compliance with ASHRAE Standard 188.

10" 75,000 gal Cartridge

9320-2363 1 each

High Capacity Ion Exchange Filter

Ion exchange resin reduces total dissolved solids and water hardness. Great for coffee, tea, espresso, steamers and combi-ovens.

14" 9,000 grain Cartridge

9320-2261 1 each

20" 15,000 grain Cartridge

9320-2262 1 each

WATER & BEVERAGE QUALITY PARTS & INSTALLATION KIT

Braided Hose Install Kit

Includes tubing, fittings, barbs, clamps, and wall anchors.

1/2" Hose

9320-1094 1 each

3/8" Hose

9320-1095 1 each

Bypass Plug

Use to bypass any High Capacity filtration systems.

9320-2272 1 each

WATER & BEVERAGE QUALITY WATER SOFTENERS

Point of Use Softener

Twin tank point of use softener provides uninterrupted soft water with proven reliability at temperatures up to 150° F and integrated back flow prevention. Compact design fits under standard dish tables.

HTSS-150 for door and most conveyor machines

9320-2237 1 each

HWS-FLT for conveyors >66" and flight machines

9320-2170 1 each

Point of Entry Softener

Twin tank non-electric design with metered regeneration provides uninterrupted flow of soft water to the kitchen while optimizing salt and water use.

CP-150 two 10" x 54" tanks

9320-2148 1 each

CP-250 two 13" x 54" tanks

9320-2149 1 each

HAND HYGIENE

We've developed a total hand hygiene system that combines effective chemistry with technology and training – making your hand cleaning habits efficient, safe and simple.

Expert guidance with a personal touch

TOUCH POINT SERVICE

We've got you covered with our Total Hand Hygiene System and Touch Point Service:

- Complete installation managed by Ecolab experts
- Expert training for effective use
- Educational materials to keep hand hygiene top of mind
- Regular service visits to evaluate and improve hand hygiene program

NEXA™

A SUSTAINABLE SOLUTION THAT HELPS SAVE MONEY

Provide sustainability and cost savings with uniquely designed bottles for use with Nexa dispensers.

Formulated with 62% ethyl alcohol. Helps promote skin health and reduce the spread of germs and microorganisms.

6100727 6-750 mL

6100728 4-1200 mL

**Nexa™ Instant Hand Sanitizer Gel**

More than 99.5% effective in in-vitro testing against a range of foodborne illness-causing bacteria.

6100722 6-750 mL

6100723 4-1200 mL

HAND CARE DISPENSERS

Touch-Free Dispenser

Energy saving dispenser requires fewer battery change-outs. Patented pump reduces clogs and drips and helps to avoid costly product waste.

Nexa™ Classic Touch-Free Dispenser
9202-1192 (Black) 1-1250 mL
9202-1193 (White) 1-1250 mL

Nexa™ Compact Touch-Free Dispenser
9202-1190 (Black) 1-750 mL
9202-1191 (White) 1-750 mL

Manual Dispenser

Patented pump pulls excess product back in, reducing clogs and drips. Antimicrobial protection on the push bar continuously inhibits growth of bacteria, mold and mildew.

Nexa™ Classic Manual Dispenser
9202-3091 (Black) 1-1250 mL
9202-3093 (White) 1-1250 mL

Nexa™ Compact Manual Dispenser
9202-3087 (Black) 1-750 mL
9202-3088 (White) 1-750 mL

COUNTER MOUNT

Counter Mount Touch-Free Dispenser

Touch-free dispenser.

9263-1012 1 each

WATER SAFETY & COOLING WATER

NALCO Water
An Ecolab Company

Nalco Water is the global leader in water management. We provide safe, simple and sustainable solutions to lodging properties of all sizes. Ask us how we can help optimize your water usage and manage risks associated with waterborne pathogens.

Industry-leading water risk mitigation:

COMPREHENSIVE WATER MANAGEMENT PLAN

- *Legionella* risk management to protect your employees, guests and brand reputation
- Remediation services and protocols
- Pathogen testing to verify control measures are effective
- Long-term control strategies
- Awareness training

3D TRASAR™ SOLID COOLING WATER PROGRAM AUTOMATION TO OPTIMIZE YOUR OPERATIONS

Reinventing the way water is managed, our 3D TRASAR™ Solid Cooling Water Program delivers increased safety, a smaller facility footprint and reduced packaging waste.

- **Real-time control** provides asset protection
- **Providing visibility** via dashboards
- **Driving efficiency** of cooling water systems
- A team of experts, **24/7/365** via the Nalco Water System Assurance Center
- **Reduce costs & improve TCO**
- **Continuously monitoring** your system KPIs

DELIGHTED GUESTS

From the time water enters a facility until the moment it is returned back into the environment, **it's a critical component of your business.**

We use **EXPERTISE & INNOVATION** to help **MANAGE WATER** – and measure success one drop at a time.

OUR SUSTAINABILITY STORY

Driving the Lodging Industry to a more sustainable future.

IMPACTS THAT MATTER

At Ecolab, we share your commitment to clean, healthy, sustainable, and efficient – and deliver proof of that impact through eROI. Our eROI methodology considers all aspects of how a program affects customer outcomes – including productivity, performance, water, energy, waste, and the attributes of our products that impact people and the planet during and after use.

Ecolab is committed to reducing plastic consumption.

LAUNDRY PROGRAM

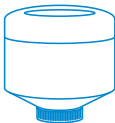

By moving from liquid chemistry in a bulky container to a solid capsule, we reduced plastic use by more than 74% while delivering the same clean end result.

CASE STUDY:

HELPING HILTON MINIMIZE ITS ENVIRONMENTAL FOOTPRINT

With more than 5,700 properties in 113 countries, Hilton is a global leader in hospitality and sustainability. Hilton has set aggressive 2030 sustainability goals and plans to cut its environmental footprint in half by:

- **REDUCING WATER USE** intensity by **50%**
- **REDUCING WASTE** by **50%**
- **REDUCING CARBON EMISSIONS** by **61%**

INNOVATION: Ecolab has collaborated with Hilton properties to help them meet their water and energy targets. Hilton has realized significant sustainability savings through

global deployment of Ecolab technologies, including: SMARTPOWER™ warewashing program to reduce water, energy and costs, and Aquanomic™ Low-Temp Laundry Program, leaving textiles white and bright while extending linen life and saving water and energy.

These programs, combined with other solutions, help Hilton drive progress toward achieving its ambitious Travel with Purpose 2030 sustainability goals.

CASE STUDY:

SCORING GREEN IN SINGAPORE

JW Marriott Singapore South Beach is part of Marriott International's luxury portfolio. Established in December 2016, the property is known for its state-of-the-art environment features, which seamlessly integrates innovation with environmentally conscious design and green technologies.

INNOVATION: The hotel has a total of nine Food and Beverage outlets.

With Food and Beverage operations that record the washing of up to 5,000 plates a day, JW Marriott Singapore needed a collaborative and innovative partner to ensure the smooth and efficient running of operations, and at the same time, maintain a reduced overall carbon footprint for the hotel.

Ecolab's SMARTPOWER™ Program brings JW Marriott's Food and Beverage operations to a new level of food safety, simplicity, and sustainability.

- **Innovative Chemistry** that includes highly effective formulas designed to eliminate the toughest food soils
- **Actionable Insights** that provide full visibility

and control to improve processes, rewashes, and labor costs

- **Personalized Service** that delivers top-notch hands-on service to ensure operational success
